Product Description

Product Description:

One of the standout features of the Folding Box is its lead time. With a lead time of 15-20 workdays, customers can be sure that they will receive their order in a timely manner. This makes the Folding Box an ideal choice for customers who need their packaging quickly. The Folding Box also comes with OEM service, allowing customers to customize their packaging to their exact specifications. This means that customers can choose the size, shape, and design of their giftbox, making it perfect for their specific needs.

Another great feature of the Folding Box is its colorful design. With a range of colors and designs to choose from, customers can find the perfect giftbox for any occasion. Whether it's a Christmas cartoon packaging box or a colorful giftbox for a birthday or anniversary, the Folding Box has it all.

Finally, the Folding Box is perfect for cake packaging. Its sturdy design and high-quality materials ensure that cakes and other baked goods remain fresh and intact during transit. This makes it a popular choice for bakeries and other businesses that need to package and transport cakes and other baked goods.

This Christmas cartoon packaging box is an eco-friendly and foldable food box, ideal for gift giving. It features a Christmas-themed design and can be custom printed with your own logo. Available for OEM service with a sample time of 7 working days.

Applications:

A folding box is a versatile and convenient packaging solution that can be used for a variety of occasions and scenarios. Made in Guangdong, China, this product is available under the OEM/ODM brand name and model number. The packaging details include a standard carton, and the supply ability is 100000 Piece/Pieces per Month with a minimum order quantity of 500 pieces. The price and payment terms can be customized according to the client's needs.

This folding box is designed with a Christmas-themed pattern, making it an ideal giftbox for the holiday season. The festive design adds a touch of cheer and warmth to any present, making it perfect for gift-giving during Christmas. The box can be used to package a variety of items, including small gifts, jewelry, and other trinkets. The foldable closure type makes it easy to assemble and disassemble, allowing users to store it flat when not in use.

This folding box is also suitable for food packaging, making it an ideal choice for bakeries, cafes, and restaurants. The eco-friendly design ensures that it is safe and non-toxic, making it ideal for use with food items. The box can be used to package a variety of food items, including cakes, cupcakes, cookies, and other treats. The Christmas cartoon packaging box is perfect for adding a touch of festivity to any food item, making it an ideal choice during the holiday season.

Overall, the folding box is a versatile and convenient packaging solution that can be used for a variety of occasions and scenarios. Whether you need a giftbox for Christmas or a food box for your bakery, this product is an excellent choice. The eco-friendly design ensures that it is safe and non-toxic, while the foldable closure type makes it easy to store and transport.
