## Product Description

### Product Description:

Our Mailer Box is not only durable but also eco-friendly, being entirely recyclable. This sustainable option allows you to reduce your environmental footprint while still providing reliable packaging for your products.

We offer an OEM service, allowing you to customize your Mailer Box to match your brand's unique style and aesthetic. This feature gives you the flexibility to create a personalized packaging solution that enhances your brand identity and helps your products stand out from the competition.

Our Mailer Box is the perfect box package for apparel, making it ideal for businesses that specialize in clothing and accessories. This option also works perfectly as a pizza delivery box, ensuring that your pizzas remain fresh and secure during transit.

Our Mailer Box features recycled materials, making it a sustainable choice. Additionally, its collapsible design allows for easy storage and reduces the amount of space required for packaging. This feature is perfect for businesses that have limited storage space, allowing you to optimize your inventory management.

In summary, our Mailer Box is the ideal choice for businesses looking for a durable, eco-friendly, and customizable packaging solution.

With its high-quality corrugated cardboard material, it can protect your items during shipping, while its customizable design provides a unique and personal touch. Its sustainable features such as being recyclable and made from recycled materials make it an eco-friendly packaging solution that is perfect for businesses looking to reduce their carbon footprint. Lastly, its collapsible design allows for easy storage and optimization of inventory management. Order your Mailer Box today and experience the convenience and reliability of our cardboard shipping boxes, pizza delivery box, and card paper box, all in one product.

### Applications:

The primary application of the Mailer Box is as a desktop file storage organizer. It is perfect for keeping important documents and files organized and easily accessible. The Mailer Box is also ideal for storing other office supplies such as pens, pencils, staplers, and more. The Mailer Box is also perfect for shipping and transporting items. The corrugated shipping box is designed to protect your items during transit, ensuring they arrive at their destination in perfect condition. The magnet box closure ensures that your items are secure during transport and storage.

The Mailer Box is available with OEM service, making it a perfect choice for businesses looking to create custom packaging solutions.

The liner type of the Mailer Box is made of paperboard, which is eco-friendly and recyclable.

The Mailer Box also features various printing handling options such as Matt Lamination, Stamping, and Varnishing. This allows for customization of the Mailer Box to suit any branding needs.

In summary, the Mailer Box is an excellent product for desktop file storage organization, shipping and transportation of items, and customization for businesses through OEM service and various printing handling options. The Mailer Box is made in China to the highest

standards of quality and durability, making it a reliable choice for all your packaging needs.
