Applications:

The liner type of our Mailer Box product is made from paperboard, which provides a smooth, clean surface for printing and labeling. This makes it an excellent choice for product packaging, as well as for use as a magazine file organizer or collapsible shoe box. The Mailer Box can be customized in different colors to match your brand or function.

The magnet box feature of our Mailer Box product makes it easy to assemble and secure, providing an added level of protection for your products during shipping and handling. This makes it an ideal choice for businesses that need a reliable and cost-effective way to package and ship their products.

The Mailer Box is an excellent choice for a variety of product application occasions and scenarios. For example, it can be used for cardboard shipping boxes, which are essential for businesses that need to ship their products to customers or clients. It can also be used for magazine file organizers, which are perfect for organizing and storing important documents and publications. Additionally, the Mailer Box can be used as a collapsible shoe box, making it an excellent choice for retailers or individuals who need to store and transport shoes.

in a convenient and space-saving manner.
