Product Description:

The Candle Box is a versatile and elegant packaging solution designed to enhance the presentation and protection of your candles. Crafted with meticulous attention to detail, this box comes with multiple finishing options including Glossy, Matt, Hot Stamping, Embossed, and UV coatings, allowing you to choose the perfect look and feel that complements your brand or personal style. Whether you prefer a sleek glossy surface that catches the eye or a subtle matt finish for a more understated elegance, this Candle Box can be customized to meet your exact needs.

One of the standout features of this Candle Box is the ability to incorporate your Custom Logo, making it an ideal choice for businesses and individuals who want to showcase their brand identity prominently. The customized logo printing option ensures that your packaging not only serves a functional purpose but also acts as a powerful marketing tool that reflects your unique style and professionalism. This customization capability makes the Candle Box perfect for various applications, especially in the gift and craft industries where presentation matters immensely.

Designed specifically with candle products in mind, this box serves as a Decorative Candle Container that enhances the aesthetic appeal of your candles while providing sturdy protection during storage and transportation. The combination of high-quality materials and exquisite finishing techniques ensures that your candles remain safe and intact, whether displayed on store shelves or gifted to loved ones. The decorative aspect of the box also makes it an appealing choice for customers who appreciate both form and function.

In addition to being an excellent Decorative Candle Container, the Candle Box is also a wonderful solution for Vintage Candle Storage. Its classic design and customizable features allow it to evoke a nostalgic charm that complements vintage or handmade candles perfectly.

This makes the box an excellent choice for artisans and small businesses focused on delivering a unique, retro-inspired product experience. The embossed and hot stamping finishes add an extra layer of sophistication, enhancing the vintage appeal and making your candles stand out in a competitive market.

For those who need portability without compromising style, the Candle Box doubles as a Travel Candle Canister. Its compact and sturdy design ensures that your candles can be safely transported without any damage, making it perfect for customers who enjoy taking their favorite scents on the go. Whether for personal use or as a thoughtful gift, the travel-friendly nature of this box adds a practical dimension that modern consumers will appreciate.

Furthermore, we understand that clients often want to see and feel the quality before placing bulk orders. Therefore, sample orders are acceptable, allowing you to evaluate the craftsmanship, finishing options, and customization capabilities firsthand. This ensures complete satisfaction and confidence in your purchase, whether you are a small business owner, a craft enthusiast, or someone looking to create memorable gifts.

In summary, the Candle Box is a highly customizable and beautifully finished packaging option that meets the diverse needs of candle makers and sellers. With finishes such as Glossy, Matt, Hot Stamping, Embossed, and UV, along with the ability to print your Custom Logo, this box brings together functionality and aesthetic appeal. Ideal for applications in gift and craft markets, it serves as a Decorative Candle Container, Vintage Candle Storage, and Travel Candle Canister, offering versatility and style in one package. Accepting sample orders further demonstrates our commitment to quality and customer satisfaction, making this Candle Box an excellent choice for anyone seeking premium candle packaging solutions.

Features:

Logo Customization: Accept Customized Logo Printing

Customizable: True

Sample: Acceptable

Finished Options: Glossy, Matt, Hot Stamping, Embossed, UV

Application: Gift & Craft

Perfect for Vintage Candle Storage

Acts as a Decorative Candle Container

Suitable as a Travel Candle Canister

Applications:

The OEM Candle Box, originating from China and FSC certified, is the perfect packaging solution for a variety of occasions and scenarios. Designed to hold and protect travel candle canisters, this product combines both functionality and elegance, making it ideal for businesses looking to present their aromatic candle boxes in a stylish and professional manner. With a minimum order quantity of 1000 units and a supply ability of up to 1,000,000, it caters to both small and large-scale enterprises seeking reliable packaging options.

This candle box is especially suitable for travel candle canister packaging, providing a secure and attractive container that ensures the candles remain intact during transit. Whether transporting aromatic candle boxes for retail, gifting, or promotional events, these boxes offer excellent protection and enhance the overall product appeal. The customizable features, including custom logo printing, color options, and finished styles such as glossy, matt, hot stamping, embossed, or UV coating, allow brands to create a unique unboxing experience tailored to their identity.

In retail environments, the OEM Candle Box serves as an eye-catching display element, helping aromatic candle boxes stand out on shelves amidst competitive products. Its packaging details, shipped in sturdy cartons, guarantee safe delivery within 25-40 days, making it an efficient choice for seasonal sales, holiday promotions, or special editions. Additionally, the design flexibility, accepting AI, CDR, or PDF formats, ensures that customers can easily provide their artwork for precise and vibrant printing results.

Beyond retail, these candle boxes are perfect for corporate gifting, spa and wellness events, and boutique stores where presentation matters. They also cater to candle makers and artisans who require a dependable, customizable packaging solution for their travel candle canisters. Overall, the OEM Candle Box offers a comprehensive, durable, and attractive packaging option that elevates the value of aromatic candles across various application occasions and scenarios.

Customization:

Our OEM Decorative Candle Container offers exceptional product customization services, crafted with high-quality coated paper and certified by FSC to ensure sustainability. Originating from China, we provide a minimum order quantity of 1000 units, with pricing available upon communication to best suit your needs.

We specialize in creating aromatic candle boxes and vintage candle storage solutions that can be tailored to your preferences. Customers can choose from a wide range of custom colors and provide design files in AI, CDR, or PDF formats for a personalized touch. Logo customization is also available, allowing you to feature your brand with customized logo printing on each candle box. Our packaging details include sturdy cartons to ensure safe delivery, with a supply ability of up to 1,000,000 units and a delivery time frame of 25-40 days.

Ideal for gifts and crafts, our candle boxes combine elegant design with practical functionality, making them perfect for decorative candle containers, aromatic candle boxes, and vintage candle storage needs.
