Product Description

Product Description:

The Cake Box is an exquisitely designed pastry container crafted to meet the highest standards of quality and functionality. Made from premium art paper, this cake box offers a perfect blend of durability and aesthetic appeal, making it an ideal choice for packaging a variety of sweet treats. Whether you are a bakery owner, a confectioner, or someone who loves to present desserts elegantly, this cake box serves as a reliable and attractive sweet treat carrier that enhances the presentation and protection of your pastries.

One of the standout features of this cake box is its versatility in usage. Primarily designed as a food package, it is especially suited for carrying cakes, pastries, and other confectionery items. The sturdy art paper material ensures that the box maintains its shape and protects the contents from damage during transportation, making it an excellent sweets delivery case. This is particularly important for businesses involved in the delivery of baked goods, as the cake box safeguards the freshness and appearance of the products until they reach the customer.

Beyond its practical application in the food industry, this cake box also finds extensive use in the gift and craft sectors. Its elegant design and high-quality material make it an attractive option for packaging gifts, especially those related to culinary delights or handmade crafts. The cake box can be customized or decorated to suit various occasions such as birthdays, weddings, anniversaries, and festive celebrations, thereby adding a personal touch to gift-giving experiences.

For business owners and customers alike, the availability of samples is a significant advantage. Prospective buyers can request samples to evaluate the quality, size, and design of the cake box before making bulk purchases. This ensures satisfaction and confidence in the product's suitability for specific needs, whether it is for retail, wholesale, or personal use. The option to sample the cake box reflects the manufacturer's commitment to quality and customer service.

Another important aspect of this cake box is its convenient shipping options. It is available for shipment from major ports such as Shenzhen and Guangzhou, facilitating smooth and efficient logistics for both domestic and international buyers. This accessibility ensures that businesses can maintain a steady supply of high-quality pastry containers, sweets delivery cases, and sweet treat carriers without disruption, supporting seamless operations and timely order fulfillment.

In summary, the cake box made from art paper is an exceptional pastry container designed to meet diverse packaging needs. Its robust yet elegant construction makes it perfect as a sweets delivery case, ensuring that cakes and other baked goods remain intact and visually appealing during transport. Additionally, it functions as an excellent sweet treat carrier for gifts and crafts, offering versatility beyond just food packaging. With sample availability and convenient shipping from Shenzhen and Guangzhou ports, this cake box is a reliable, attractive, and practical solution for businesses and individuals looking to package and present sweet treats with style and care.

Features:

Product Name: Cake Box

Industrial Use: Gift & Craft

Port: Shenzhen, Guangzhou

Packing: Flat Packing for easy storage and transport

Material Structure: Rectangle shape for optimal cake fitting

Material: High-quality Art Paper for durability and aesthetic appeal

Functions as a Cake Keeper Box, ensuring freshness and protection

Serves as a Cake Caddy, convenient for carrying and presenting cakes

Designed as a Pastry Container, suitable for various baked goods

Applications:

The Cake Box, originating from China, is an ideal solution for packaging a variety of baked goods. Crafted from high-quality art paper with a sturdy paperboard liner, this rectangle-shaped baked goodies box ensures that your cakes and pastries are both well-protected and attractively presented. Certified by FSC, it guarantees environmentally responsible sourcing, making it a sustainable choice for businesses and individuals alike.

Designed specifically for cake packaging, this cake caddy is perfect for bakeries, cafes, and home bakers who want to deliver their products safely and stylishly. Whether you are packaging a single cake or an assortment of pastries, the robust structure of the baked goodies box keeps your baked items secure during transport and storage. Its elegant design also enhances the unboxing experience for customers, making it a popular choice for gift packaging and special occasions.

The minimum order quantity for this product is 500 pieces, catering to both small-scale and large-scale businesses. With a supply ability of up to 1,000,000 units and a delivery time of approximately 14 days, it is well-suited to meet high demand efficiently. Price details are available upon communication, allowing for tailored quotations based on order size and customization preferences.

Shipping is conveniently handled through major ports such as Shenzhen and Guangzhou, ensuring timely delivery to various global destinations. This makes the cake caddy an excellent choice for international bakeries and distributors looking for reliable packaging solutions.

Ideal application occasions for this baked goodies box include birthday parties, weddings, corporate events, and festive celebrations, where presentation and freshness are paramount. It also serves well for everyday bakery sales, providing a professional and attractive packaging option that enhances brand image. Whether used for gifting or retail purposes, this cake box combines practicality with aesthetic appeal, making it a versatile addition to any baked goods packaging lineup.

Customization:

Our Cake Keeper Box offers exceptional product customization services to meet your unique needs. Made in China with FSC certification, these boxes ensure environmentally friendly quality. The minimum order quantity is 500PCS, allowing both small and large businesses to benefit from our supply capabilities.
